Minimum Order Quantity

For most sizes, a 15,000 quantity minimal (1 design) is required to print. Minimum order quantities are based on the bag size and your selections from above. Please note that different structures, sizes and variation of designs may have different MOQ requirements. Simple MOQ guideline: the larger the bag, the smaller the MOQ quantity requirements (i.e. 5 lb may require only 5,000 pcs while 2 oz bag will require 80,000 pcs).

Pre-Production Proofing

Pre-production proofs are available. Paper proofs are free. Film proofs are also available at starting at \$300.00. Actual bag sample are only available for 300,000 or more order quantities with cost starting at \$800.00.
